AFTERNOON DROP-OFF TIMES FOR ONLY ELEMENTARY (GRADES K-3) AND HIGH (GRADES 9-12) SCHOOL

Table with 4 columns: Route, Stops, Monday - Thursday Drop-off, Friday Drop-off. Lists routes 8 through 15 with their respective stops and drop-off times.

NOTE: The revisions to this bus schedule will change the way afternoon routes are will operate daily. The routes were set in ways to enhance our transportation program, with safety being Henderson Collegiate's top priority.

The first wave will be middle school only, the second and third waves will be high school and elementary school students combined. Morning routes will be combined with all elementary, middle and high school students.

- TRANSPORTATION REMINDERS: 1. Parents should arrive at least 5 minutes early to their child's bus stop. (Ex: Routes 8 will be at the Dabney at 7:10am, so we ask parents to arrive by 7:05am to be on time). 2. Drivers are not to wait past the stop times, so it is important that you are there for your student(s) on time. 3. The Boys & Girls Club & YMCA stops will ONLY be afternoon drop-off stops.

If you have any questions about these changes, please do not hesitate to contact me. Sincerely, Mr. Hetrick, Director of Resources

The Chief of Police or his designee shall establish towing zones and assign call-out weeks from the rotating list. Towing operators shall not share a principal location. In the event that the on-duty tower is unable to respond to calls within their zone or to respond in a timely manner due to unusual conditions, the other on-duty tower shall be called. In the event neither one of the on-duty towers can respond, then the next tower on the rotating list shall be called. CRUISING The operation of a tow truck within the Township of Wayne to solicit vehicle towing, emergency road service and/or other related towing services unless in response to a police request. It also includes issuing documents for the release of a motor vehicle to its owner or other person authorized to take the motor vehicle; and retrieving a motor vehicle from storage during the hours in which the storage facility is open. (9) Subcontractor markup: 20%. (c) Prepare an itemized billing invoice for all services rendered. B. In addition to the application or renewal application fees set forth in § 191-4, the yearly license fee shall be \$100, payable to the Township of Wayne.[Amended 9-16-2020 by Ord. A. The towing operator shall provide and maintain the following types of insurance coverage to be obtained from insurance companies licensed to do business in the State of New Jersey and shall provide the Township with certificates of insurance evidencing proof of the following required coverages: (1) Automobile liability in an amount not less than \$1,000,000 for bodily injury per person, \$3,000,000 for bodily injury per accident and \$500,000 for property damage per accident. (10) A toolbox with assorted hand tools normally used to conduct emergency roadway and towing. B. The following is the fee schedule for storage services for all types of vehicles per storage day (full twenty-four-hour period): (1) Inside building, storage facility capacity: (a) Under 10,000 pounds: \$55. A tow vehicle must be manufactured by a tow-truck manufacturer that is nationally recognized by the towing industry. No. 34-2020 As used in this chapter, the following terms shall have the meanings indicated: ABSORBENT A granulated or powdered substance used to soak up fluids used in the operation of motor vehicles. (3) Photocopies of all registrations of every tow vehicle to be operated by the applicant. C. New employees shall have one year from their date of hire to obtain the TRAA Level 1 certification or other nationally recognized certification. F. The Chief of Police shall oversee all licensed wreckers to ensure that they are kept in a safe condition. LOAD STORAGE Storage of cargo that was taken off a damaged vehicle/trailer or picked up off roadway. F. A towing company that engages in private property towing or other nonconsensual towing shall calculate storage fees based upon full 24-hour periods a motor vehicle is in the storage facility. VEHICLE Every device in or upon or by which a person or property is or may be transported upon a highway, except devices moved by human power. B. Signs which readily identify the storage facility and which comply with all applicable laws and local zoning regulations shall be installed. In the event that the complaint cannot be resolved to the mutual satisfaction of the parties, the matter shall be submitted to the Business Administrator or his designee. No. 34-2020 A. The following is the fee schedule for basic automobile, motorcycles, motorized bikes, towing services and heavy-duty vehicle recovery. (1) Basic towing service (two-axle vehicle) under 8,000 pounds. D. The name of the individual tow truck employee shall be listed on the towing ticket/receipt. F. Wheel lift retracted rating: 6,000 pounds. F. Upon the issuance of the license, the licensee may during the term of the license advertise and place on his equipment that the licensee is an authorized police tower for the Township of Wayne. ORDINARY CARE That care which is normally used to protect a motor vehicle from further damage, including but not limited to the use of tarps for environmental protection and security protection for storage areas. If payment is not made on a timely basis, the license may be suspended or terminated after a hearing by the Council. (4) B. Services must be itemized on the statement. (b) Prepare a written report of all procedures employed, actions taken, equipment used and manpower requirements to complete the recovery process in the safest manner and provide a copy to the vehicle owner with the statement for services. (8) Fuel/hazmat/cargo spills cleanup and disposal: time and materials. D. The entire outside storage area shall be enclosed by a fence or sturdy construction, a wall or other man-made barrier that is at least seven feet high which may include one foot of barbed wire, with at least one lockable gate for ingress and egress, in accordance with local zoning regulations. E. The licensee shall prepare and issue to the owner/operator a written itemized invoice for all services rendered under this chapter. (d) No mileage fee from the point of tow to the licensee's storage yard. G. Wheel lift extended rating: 12,000 pounds. F. The towing operator shall provide the Police Department with a list of said personnel and copies of each operator's driver license (CDL if applicable) and social security number. (A state-issued permit is required and must be in the truck.) (5) Two white work lights facing from the rear of the truck. B. The towing operator shall maintain a record of all property found anywhere in the towed vehicle, including the trunk and glove compartment when open and where a key is available. BRUSH CLEANING Removal of any and all debris, including collection of debris that can be picked up by hand. Drivers that operate the heavy-duty tow truck must obtain the Level 2 certification. Each person shall, at their own expense, respond to the authorized fingerprint vendor's location for a fingerprint check. F. The Township of Wayne Police Department shall be granted access to any part of the impound area at any time, day or night, for the purpose of inspection and/or investigation. The equipment to be used by the towing operator shall meet the following requirements: (1) All equipment must be of the type, condition and design to efficiently perform the work required by the Township of Wayne. Each towing operator shall maintain his/her own place of business where trucks, in response to police requests, are normally kept. (e) Tractor-trailer combination: \$150. B. Upon receipt of the results of the fingerprint check and subsequent criminal history check, as well as review of each applicant's driver's abstract, the Police Department shall notify the Township Clerk's Office of those results with a recommendation on whether or not the applicant should be approved or denied and if any person listed should be disqualified. E. If a towing company charges a consumer a fee for a private property or other nonconsensual towing service that is disputed by the consumer, the parties shall make a good faith effort to resolve the dispute with the Police Department. In the event that the heavy-duty wrecker operator is unable to handle the recovery, then the next heavy-duty wrecker on the rotating list shall be called. D. The licensee shall notify the Wayne Police Department, in writing, of any vehicle that is left unclaimed for a period in excess of seven calendar days. B. In addition to any penalties that may be imposed by the Municipal Court, the Township Council may, after conducting a hearing regarding the violation(s), terminate the license issued pursuant to this chapter for repeated violations of this chapter. (b) Heavy-duty wrecker (per truck): \$600 per hour, to be charged based upon each 1/2 hour spent performing winching. Said vehicle shall be stored by the towing operator within the licensed storage area so provided. Said fees are in addition to the license fees as set forth in § 191-6. WINCHING The process of moving a motor vehicle, by the use of chains, nylon slings or additional links of wire cable, from a position that is not accessible for direct hookup for towing a motor vehicle. D. Once a license is granted, the licensee shall notify the Township Clerk in writing of any criminal charges, motor vehicle offenses or ordinance violations that are issued against the licensee or its employees during the term of the license. LOADED MILE Distance in miles that a tow vehicle travels while towing a vehicle. (j) Pallet jack/puller: \$200 flat rate. J. The licensee shall be responsible for roadway cleanup, which shall include but not be limited to removing broken glass and debris at the scene of an accident, as per N.J.S.A. 39:4-56.Bb, and may charge the owner of the vehicle that created the debris a fee as outlined in § 191-12.E(3). (c) Recovery support vehicle: \$350 per hour. A renewal application shall be accompanied by a nonrefundable application fee of \$250 payable to the Township of Wayne. (g) Box or refrigerator trailer with tractor: \$400 per hour. UNLOADED MILE Distance in miles traveled by a tow vehicle to a disabled vehicle or the distance a miles traveled by a tow vehicle after dropping off a vehicle out of town at the customer's request. (p) All other specialized equipment: \$250 per hour. (4) The names, addresses and telephone numbers of any persons possessing any liens and/or encumbrances on the principal location. The licensee may not subcontract the entire recovery. (2) A licensee, when filing an application and at all times while holding a license under this chapter, shall own or lease for use in performing the services required by the license a minimum of four (4) trucks: one (1) light-duty wrecker, one (1) medium-duty flatbed, one (1) medium-duty wrecker, and one (1) heavy-duty wrecker. PRIVATE PROPERTY TOWING The nonconsensual towing from private property or from a storage facility of a person's motor vehicle that is parked illegally, parked during a time at which such parking is not permitted, or otherwise park without authorization or immobilization, or preparation for moving or removing of such motor vehicle to which a service charge is made, either directly or indirectly. The Chief of Police may inspect any or all licensed wreckers at any time. If the tow vehicle is leased, the applicant is required to submit a copy of the lease agreement. ADMINISTRATIVE CHARGES Charges for more than three trips to the motor vehicle in storage. A. Towing operators meeting the qualifications set forth below shall submit an application, in writing, to the Township Clerk to be considered for placement on a rotating list of towing operators. SUBCONTRACTOR'S MARKUP Additional fee on top of outside tow company fees when needed to provide services that the Township tower does not possess or is in need of to provide additional support services. F. Each towing operator shall furnish the following information with respect to the aforementioned trucks: the make, model, year and registration number of each truck and the DOT number. A. The towing operator must be able to provide, 24 hours a day, seven days a week, towing services for the Township, on a rotating basis, at the direction of the Chief of Police or his designee. (11) The applicant shall provide an affidavit that the information given in the application is true and correct. (f) Light tower: \$250 per hour.
